NATIONAL EGG MARKET AT-A-GLANCE

In Chicago and Boston, prices were higher on the larger sizes and unchanged on the balance. In most other areas, prices were unchanged. The trade sentiment ranged steady to firm, mostly steady to fully steady. Demand was light to moderate and was best where features were in progress or planned for next week. Supplies were adequate to in close balance, instances tight. Breaking stock offerings were tight to adequate and demand was light to moderately good. Light type hens were usually sufficient for current processors needs.

NORTH ATLANTIC In Boston, prices were unchanged to 2 cents higher for the larger sizes and unchanged on mediums. In Philadelphia and New England, prices were unchanged. The market tone was steady to fully steady entering the weekend. Demand was light to moderate, best where features were planned or in progress. Supplies were adequate to close for current needs. Breaking stock offerings were usually about adequate to adequate from regular suppliers. Demand was light to moderately good. Light type hens were usually adequate for normal processing schedules.

NEW YORK Prices were unchanged. The market tone was steady to fully steady entering the weekend. Demand was light to moderate, best where features were planned or in progress. Supplies were adequate to closely balanced on all sizes.

MIDWEST Prices to producers in Iowa-Minnesota-Wisconsin increased 2 cents for large and were unchanged for medium and small. Prices in other areas were not changed. The trade sentiment was steady to mostly fully steady. Retail and food service demand was light to moderate, best where retail features were a factor. Features noted were 99 cent 18 count large in Iowa and one dozen medium free at selected stores in Iowa. Supplies were tight to adequate for current needs. Central States nest run prices were unchanged. Trading and demand was light to moderate. Offerings continued tight to adequate. Buyers needing product for next week delivery were paying higher prices. Most breakers were satisfied with regular commitments and company owned production. Floor stocks were in very close balance to at times adequate. The trade sentiment was fully steady.

CHICAGO Prices for extra large and large increased 2 cents, smaller sizes unchanged. The market tone steady to firm. Retail and food service demand light to moderate, best where features are planned or in progress. Supplies in close balance to barely adequate.

SOUTHERN Prices were unchanged. In Atlanta, asking prices for next week's deliveries were trending higher on all sizes except mediums. In Florida, asking prices for next week were trending higher all sizes. The market tone was steady to fully steady. Demand was light to moderate and best where features were in progress or planned for next week. Supplies were adequate to in close balance. Breaking stock offerings were usually about adequate to adequate from regular suppliers for the light to moderately good demand. Light type hens were usually sufficient for normal processors schedules.

WEST COAST Prices unchanged. The market tone was firm with asking prices for next week in California 3 cents higher on jumbo, 6 cents higher on extra large, large, medium and small; in the Northwest 4 cents higher on jumbo, 6 cents higher on extra large and large, and 8 cents higher on medium. Retailer demand moderate. Offerings light and held with confidence.
